3. Reserved Rights and Permitted Uses.

(a) All rights and permissions the author has not granted to ACM in Paragraph 2 are reserved to the Owner, including without limitation the ownership of the copyright of the Work and all other proprietary rights such as patent or trademark rights.

(b) Furthermore, notwithstanding the exclusive rights the Owner has granted to ACM

in Paragraph 2(a), Owner shall have the right to do the following:

- (i) Reuse any portion of the Work, without fee, in any future works written or edited by the Author, including books, lectures and presentations in any and all media.
- (ii) Create a "Major Revision" which is wholly owned by the author
- (iii) Post the Accepted Version of the Work on (1) the Authors home page, (2) the Owner's institutional repository, or (3) any repository legally mandated by an agency funding the research on which the Work is based.
- (iv) Post an "Author-Izer" link enabling free downloads of the Version of Record in the ACM Digital Library on (1) the Author's home page or (2) the Owner's institutional repository;
- (v) Prior to commencement of the ACM peer review process, post the version of the Work as submitted to ACM ("Submitted Version" or any earlier versions) to non-peer reviewed servers;
- (vi) Make free distributions of the final published Version of Record internally to the Owner's employees, if applicable;
- (vii) Make free distributions of the published Version of Record for Classroom and Personal Use; (viii) Bundle the Work in any of Owner's software distributions; and
- (xi) Use any Auxiliary Material independent from the Work.

The rights management and bibstrip text blocks below will be added to the lower left hand portion of the first page of your published paper. As this text will provide rights information for your paper, please make sure that this text is displayed and positioned correctly when you receive your author proofs for review.

Authors should understand that consistent with ACM's policy of encouraging dissemination of information, each work published by ACM appears with a copyright and the following notice:

If you are using Authorized ACM TeX templates, the following code will generate the proper statements based on your rights choices. Please copy and paste it into your TeX file between `\begin{document}` and `\maketitle`, either after or before CCS codes.

4. ACM Citation and Digital Object Identifier.

(a) In connection with any use by the Owner of the Definitive Version, Owner shall include the ACM citation and ACM Digital Object Identifier (DOI).

(b) In connection with any use by the Owner of the Submitted Version (if accepted) or the Accepted Version or a Minor Revision, Owner shall use best efforts to display the ACM citation, along with a statement substantially similar to the following:

"© [Owner] [Year]. This is the author's version of the work. It is posted here for your personal use. Not for redistribution. The definitive version was published in {Source Publication}, <https://doi.org/10.1145/{number}>."

5. Audio/Video Recording of Presentation

I hereby grant permission for ACM to include my name, likeness, presentation and comments in any and all forms, for the Conference and/or Publication.

I further grant permission for ACM to record and/or transcribe and reproduce my presentation as part of the ACM Digital Library, and to distribute the same for sale in complete or partial form as part of an ACM product on CD-ROM, DVD, webcast, USB device, streaming video or any other media format now or hereafter known.

I understand that my presentation will not be sold separately by itself as a stand-alone product without my direct consent. Accordingly, I give ACM the right to use my image, voice, pronouncements, likeness, and my name, and any biographical material submitted by me, in connection with the Conference and/or Publication, whether used in excerpts or in full, for distribution described above and for any associated advertising or exhibition.

A. Do you agree to the above Audio/Video Release? ☒ Yes ☐ No

6. Auxiliary Materials, not integral to the Work

* Your Auxiliary Materials Release is conditional upon you agreeing to the terms set out below.

[Defined as additional files, including software and executables that are not submitted for review and publication as an integral part of the Work but are supplied by the author as useful resources for the reader.]

I hereby grant ACM permission to serve files containing my Auxiliary Material from the ACM Digital Library. I hereby represent and warrant that any of my Auxiliary Materials do not knowingly and surreptitiously incorporate malicious code, virus, trojan horse or other software routines or hardware components designed to permit unauthorized access or to disable, erase or otherwise harm any computer systems or software.

☐ I agree to the above Auxiliary Materials permission statement.

☐ This software is knowingly designed to illustrate technique(s) intended to defeat a system's security. The code has been explicitly documented to state this fact.

7. Third Party Materials

In the event that any materials used in my presentation or Auxiliary Materials contain the work of third-party individuals or organizations (including copyrighted music or movie excerpts or anything not owned by me), I understand that it is my responsibility to secure any necessary permissions and/or licenses for print and/or digital publication, and cite or attach them below.

☒ We/I have not used third-party material.

☐ We/I have used third-party materials and have necessary permissions.

8. Artistic Images

If your paper includes images that were created for any purpose other than this paper and to which you or your employer claim copyright, you must complete Part IV and be sure to include a notice of copyright with each such image in the paper.

☒ We/I do not have any artistic images.

☐ We/I have have any artistic images.

9. Representations, Warranties and Covenants

The undersigned hereby represents, warrants and covenants as follows:

(a) Owner is the sole owner or authorized agent of Owner(s) of the Work;

(b) The undersigned is authorized to enter into this Agreement and grant the rights included in this license to ACM;

(c) The Work is original and does not infringe the rights of any third party; all

permissions for use of third-party materials consistent in scope and duration with the rights granted to ACM have been obtained, copies of such permissions have been provided to ACM, and the Work as submitted to ACM clearly and accurately indicates the credit to the proprietors of any such third-party materials (including any applicable copyright notice), or will be revised to indicate such credit;

(d) The Work has not been published except for informal postings on non-peer reviewed servers, and Owner covenants to use best efforts to place ACM DOI pointers on any such prior postings;

(e) The Auxiliary Materials, if any, contain no malicious code, virus, trojan horse or other software routines or hardware components designed to permit unauthorized access or to disable, erase or otherwise harm any computer systems or software; and

(f) The Artistic Images, if any, are clearly and accurately noted as such (including any applicable copyright notice) in the Submitted Version.

☒ I agree to the Representations, Warranties and Covenants.

10. Enforcement.

At ACM's expense, ACM shall have the right (but not the obligation) to defend and enforce the rights granted to ACM hereunder, including in connection with any instances of plagiarism brought to the attention of ACM. Owner shall notify ACM in writing as promptly as practicable upon becoming aware that any third party is infringing upon the rights granted to ACM, and shall reasonably cooperate with ACM in its defense or enforcement.

11. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the state of New York applicable to contracts entered into and to be fully performed therein.
